**Clean Pro+ Product**

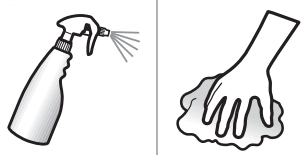

**Multi Surface Cleaner**

**Dosing**

Ready to Use

**Application**

**Cleaning Method**

- 1 Empty bins.
- 2 Remove all items from all hard surfaces.
- 3 Spray Multi Surface Cleaner onto surfaces and wipe over with a soft, lint free cloth.
- 4 For small areas spray solution onto cloth and then wipe over surface to clean. If required, polish glass with soft lint, free cloth and bring to a shine.
- 5 Replace all removed items once surfaces are dry.
