

# Housekeeping

Wear protective equipment as recommended on the label for each product

## Key Products

### ODOUR NEUTRALISER

Quickly removes unpleasant odours in the air and on fabrics. Features odour encapsulation and fragrance release technology.

### STAIN REMOVER

Removes spillages and soiling and is safe for use on most fabrics. Does not contain bleaching agents or aggressive solvents.

### GLASS CLEANER

Removes grease and dirt from glass, leaving a streak-free shine. Non smear formulation

### MULTI SURFACE CLEANER

Removes dirt and grease from hard surfaces including stainless steel. Non smear formulation.

### ANTIVIRAL CLEANER AND DISINFECTANT

Effective against Enveloped Viruses and Bacteria. Passes requirements of BS EN 13697 and BS EN 14476. Suitable to disinfect all washable hard surfaces.

### ALL PURPOSE CLEANER LEMON OR OCEAN

Cuts through dirt and grease, for fast easy cleaning. Leaves a fresh fragrance.

### DISINFECTANT LEMON OR PINE

Suitable for use on all non-porous washable surfaces. Passes requirements of BS EN 1276.

### FURNITURE POLISH

Suitable for use on most hard surfaces. Protects surfaces, buffs to a shine and leaves a fresh lavender fragrance.
