RETAIL PARTNERS

Budgens Londis

Premier

FAMILY SHOPPER

- Speeds up cigarette sales service with no mistakes, saves time, effort and frustration
- Linked to and controlled by the store's EPOS Tills - so no extra screens required
- Stops all shrinkage theft by staff - all cigarettes dispensed are tracked by the EPOS
- Stops robbery theft as cigarettes are locked away in a steel cabinet
- Speeds up stock accounting and ordering as you now use your EPOS for accurate audit
- Gain additional backline merchandise space as dispenser doors are fitted with slat board
- Payback time of between 15 and 18 months - calculator available to work this out
- Installation takes around 2 hours into cleared space so can be retrofitted easily
- Plug and play installation and connection to all the main EPOS systems

**Deal for Booker Retail Partners is
15% off the price of dispensing units**
